## ABOUT

I was born in Recife-PE, Brazil. I have a great love for this city. I am a former Architect and Urban Planner, moving into the field of work and studies into the field of development and technology. I'm very interested in front-end, but I have full-stack projects like the ones you see below. Using HTML, CSS, React.js, Node.js, express.js, deploy on Heroku, and another knowledges.

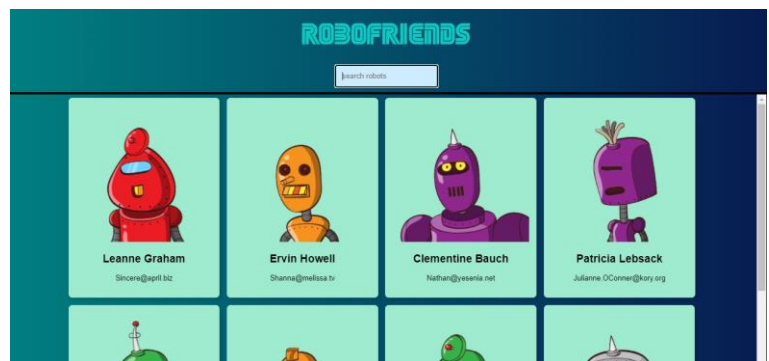

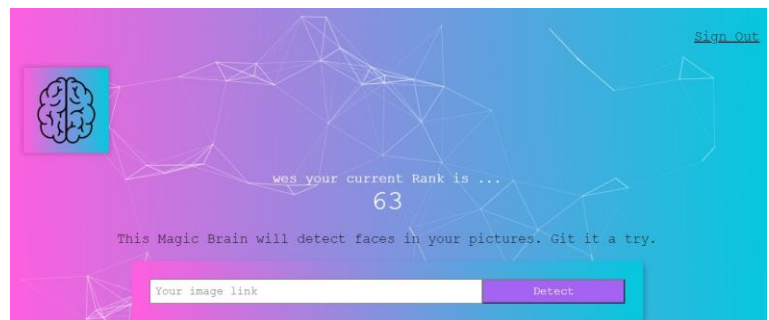

## OBJECTIVES

Web developer with a proven ability to adapt in both self-starting and collaborative environments while staying focused on achieving high-quality results under strict deadlines. Eager to obtain a challenging position at a prestigious company that will expand my learning and build upon my developer skills.
